Anglesey Agricultural Society is very keen to ensure the health and welfare of all livestock that attend the events that the Society organises. Show organisers have an obligation (under the terms of the Animal Welfare Act 2006 Section 9(2)) to ensure that the best welfare practices are observed at all times, and this also assists in the prevention of the spread of animal diseases. This involves working within the regulations and guidelines set out by government organisations and developing policies and procedures that can be compiled with by the Society's representatives e.g., staff and voluntary workers, exhibitors and the public. The Welfare Plan has been drawn up with the assistance of the Society's appointed

veterinary surgeons, Bodrwnsiwn Vets, and demonstrates that due consideration has been given to all aspects of animal health and welfare. The plan is available for inspection by the animal health authorities if required. The society is keen to promote equine welfare and as part of this, we encourage all riders to be aware of appropriate size and weight for the horse/pony being ridden.
